We are delighted to extend an invitation to the 49th Annual Conference of UP Orthopaedic Association, taking place from the 7th to the 9th of February 2025 at Hotel Gaur Sarovar Premier in Greater Noida. This conference, organized by UPOA, a prestigious association with over 2200 orthopedic Surgeons as members, will provide a platform to discuss new developments, research findings, and cutting-edge technologies in the orthopedic field. Anticipated to draw over 600 orthopedic surgeons from the state and beyond, this academic event offers sponsors an excellent opportunity to engage with a diverse audience of orthopedic professionals.

Orthopedic surgeries and treatments are crucial for addressing musculoskeletal diseases and impairments, making orthopedic surgery a vital specialized branch of medicine. Staying updated on the latest advancements is essential for professionals in this field. Our conference aims to gather leading experts in orthopedics to present innovative technologies that are efficient, cost-effective, and time-saving, thereby revolutionizing orthopedic procedures. Keynote speeches by prominent figures in the orthopedic community will shed light on these topics and offer a fresh perspective.

We humbly request your support to ensure the success of this conference. As a non-profit organization with limited resources, we rely on the generosity of businesses like yours that recognize the significance of specialized medical procedures in society. By sponsoring our event, you can showcase your company to our participants and fellow sponsors through a booth expo stand and promotional materials included in our conference kit. Additionally, your company will receive recognition in our pre and post-conference communications.

We appreciate your consideration of our request and look forward to your participation in making our orthopedic conference a resounding success. For details on sponsorship opportunities, please refer to the attached sponsorship tariff card. Should you require further information, please do not hesitate to reach out to us.
